Wings of Fire Message Board: Which dragon would you dress up as?

Which dragon would you dress up as?

Moderator Sarah E : admin

Okay, FanWings, this is a pretty easy assignment:

If you were to dress up as your favorite Wings of Fire dragon (for a certain holiday coming up next week, or just for fun!), who would you be?

And, how would you do it? What craftiness would you use to make the coolest, most awesomesauce dragon costume ever?

Currently inactive but counting down the days till....

Wings of Fire Book #12: The Hive Queen (December 26, 2018!!!)!

QIBLI! And how would I do it? Uh.... Yellow pants and shirt. Then I'd draw scales on it the yellow face paint an earring and Pink face paint for the scar! And card bord wings!

Hmmm. Qibli or Moon or Starflight! And I don't know how I'd do it. I'd probably wear the colors of that respective dragon, and I'd find an earring for Qibli, and possibly face paint for all of them. And then I'd have to fine something for wings. (IDK, I'm not dressing up this year.)

I would beeeee....LIANA!
I would have a dark blue shirt with a lime green vest-jacket, dark blue jeans, black shoes, and draw little horns and wings on the jacket. And I would sew little flaps on the back for the ruff. If I knew how to sew. =3

Hurrrrrrrrrrm. Either Moon, Scarlet, Anemone, or Glory. Or Darkstalker, or Winter, or... um, yeah. I really don't know. But Morrowseer would probably be a creepy costume. Maybe I'll be him OR Moon OR Scarlet OR Anemone OR Glory OR Darkstalker OR Winter next year-- wait, next year I'm gonna be a demigod. Or is that the year after? :P I plan ahead.

I would just be my WoF-sonna. If I ever decided to do this in real life though I would be the human version of a dragon (which I draw sometimes with WoF characters). So I would have wings and horns only which isn't very dragon-like.

I'd dress up as SUNNY!

Yellow shirt and pants, attach cloth/leather wings to my sleeves, have taloned gloves and yellow shoes, and I wouldn't wear a mask, I'd put like a hood-thing with the horn and then I'd wrap my cat tail in yellow paper/cloth/leather and make a pointy end that is not a barb.

I think I'd be Tsunami :P I would, uh, put on a scale-like body suit with light-up scales and paint my face. I'll also have my face painted blue, maybe I'll wear blue contacts. I'm not sure about the tail, but otherwise I think I'll just crawl on all fours. OH! and the wings are silkish, and the tail is a metal frame.

Too bad I don't have any of those materials....
